

# U.S. Army Aeromedical Research Laboratory Gains in the Education of Mathematics and Science Program

The following must be received no later than April 15, 2014:

1. The Near-Peer Mentor Application (two pages)
2. Official Transcript(s)
3. Two letters of recommendation from a teacher/professor, school administrator, and/or previous employer. The letters should specifically state the applicant's ability to excel as a mentor in the GEMS program and should include the recommender's contact information. It is preferred that letters be signed and sent directly by the recommender.

Fax to 334-255-6983;

E-mail to [usarmy.rucker.medcom-usaarl.list.sic@mail.mil](mailto:usarmy.rucker.medcom-usaarl.list.sic@mail.mil); or

Mail to:

U.S. Army Aeromedical Research Laboratory, SIC  
ATTN: GEMS Program Coordinator  
P.O. Box 620577  
Fort Rucker, AL 36362

# U.S. Army Aeromedical Research Laboratory Gains in the Education of Mathematics and Science Program

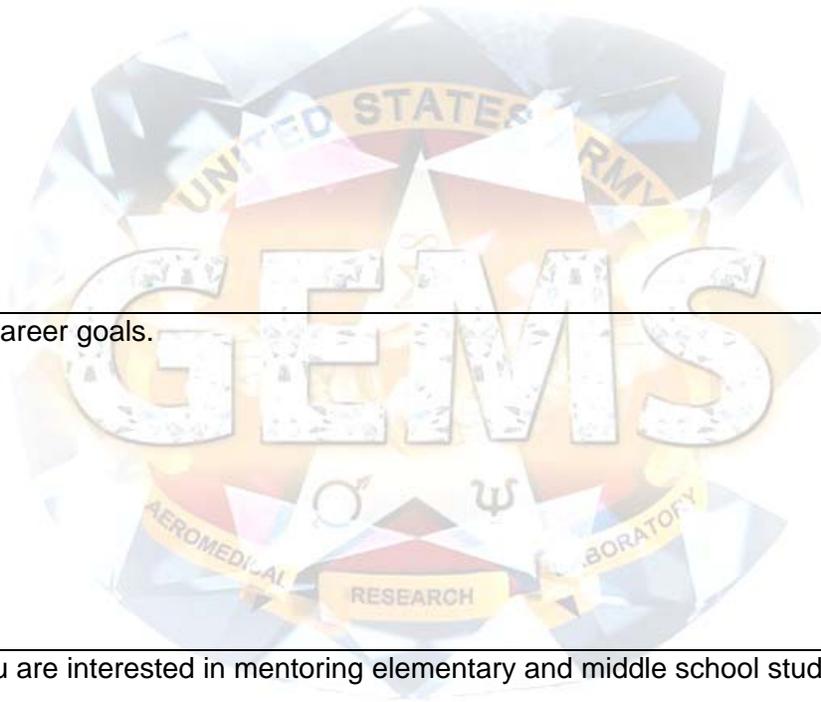

## Let us get to know you!

As a Near-Peer Mentor, you will collaborate with others and problem solve as a team. Tell us about an experience in which you have worked with a team to solve a problem.

Describe why you are interested in science, technology, engineering, and/or math (STEM). Summarize your experience(s) with STEM education.

Describe your career goals.

Explain why you are interested in mentoring elementary and middle school students.

If you have questions about the USAARL GEMS Program, contact the GEMS Program Coordinator at 334-255-6067 or [usarmy.rucker.medcom-usaarl.list.sic@mail.mil](mailto:usarmy.rucker.medcom-usaarl.list.sic@mail.mil).
