

Assistant Near-Peer Mentor Internship (11th-12th graders during the 2014-2015 school year)

Assistant Near-Peer Mentors serve as role models for GEMS participants, prepare materials for implementing STEM experiments, and gain hands-on experience to apply to and, if selected, participate in the Near-Peer Mentor internship.

• **May 20-July 31, 8:00-5:00**

Near-Peer Mentor Internship (College-age students)

Near-Peer Mentors serve as role models for, teach hands-on STEM experiments to, and discuss STEM career pathways with GEMS students.

• **May 20-July 31, 8:00-5:00**

Resource Teacher Fellowship (Elementary, junior high, or high school teachers)

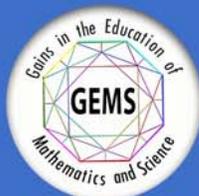

The Resource Teacher oversees the GEMS mentors who are eager to have a positive impact on the education and lives of GEMS students, teaches STEM experiments to GEMS students who are motivated to learn, and encourages GEMS students to pursue STEM-related careers.

• **May 11-July 31, 8:00-5:00**

Applications for assistant mentor and mentor internships are due no later than **January 12, 2015**.

Applications for the teacher fellowship are due no later than **March 2, 2015**.
