

**USAARL Science Information Center
Literature Search Request Form**

What is the research question you are trying to answer?

Describe your research or information needs.

Are you looking for a broad search to see what is out there or are you looking for specific information?

Provide an optional list of keywords.

Is there any content you would like to have excluded from the search?

Would you like me to search specific databases (MEDLINE, Scopus, DTIC, etc.)?

Does it need to be limited to a specific time period?

Should the information be related to humans, animals, or both?

Do you want it limited to peer-reviewed journals only? Or are you also interested in non-peer reviewed journals, conference papers/proceedings, government publications/tech reports, etc.?

In a perfect world, when do you need this completed by?
